TO OFFICE ACTION (PAPER NO. 34)**

Dear Sir:

Applicant submits herewith a Supplemental Amendment and Response to the Examiner's Office Action mailed January 22, 2003 (Paper No. 34). Applicant previously filed a response to the Examiner's Office Action on April 17, 2003. The Applicant's response was both timely and fully responsive to the Examiner's Office Action. This Supplemental Amendment and Response is being filed in order to enter amendments that, although not necessary to overcome the outstanding rejections, are desired so that the scope of the claimed invention is not unnecessarily limited. Accordingly, no fee is believed due with this Supplemental Amendment and Response to Office Action.
